## UPCOMING ATTRACTIONS

## A UNIQUE FASHION SHOW IN FEBRUARY

Every woman has her own fashion secrets! Many won't share them. Your WOW Steering Committee has found a woman willing to talk! Wanda Nakata is coming all the way from Portland Oregon to share the most unusual secrets! She will help us

coordinate pieces on loan from the Hospice Thrift Shop in Georgetown.

Please don't tell your husbands about this event. If they know you have found the secret to inexpensive dressing, they will be there to take notes. No men allowed!

Tess Wheeler, ever on the job of saving shopping secrets will host this event at her home. Members will be asked to bring an appetizer or make a five dollar donation. There will be more information in your February newsletter.

P.S. to Jill DeMarchi: We know Al knows because he helped arrange for the articles on loan from the Hospice shop. Tell him that mums the word!

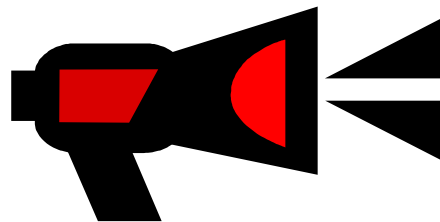

**MARCH IS SEX IN THE CITY, MOVIE II**

Members, if you missed movie I at the Davis Theater you won't want to miss this. This may be one more event to keep from your husbands. Find those false eye lashes, dig out the sexy clothes and join your friends for a movie, pizza, and fun and laughter.

**DON'T FORGET TO PAY YOUR WOW DUES.**

**ANNOUNCING YOUR 2011 LEADERSHIP TEAM!**

Members, once again we have a great group who are willing to meet the challenge of organizing, planning, and helping all of us enjoy our membership. They are: Tess Wheeler, Carolyn McBride, Janet Smith Sandy McMillin, and Tracey Cristello.

These strong willed women have a support team, ready to serve when needed. They are Jude Davis, Connie Jefferson Lange, and Madeline Claveloux. Be prepared, they secured a year long commitment, but trust me members if they need more help you will

be called.

**DECEMBER 9<sup>th</sup> WOW CHRISTMAS PARTY**

Tess Wheeler opened her home to WOW for our annual Christmas Party. First a big heart felt thank you to her. Members were treated to a delightful meal, seated in beautiful surroundings, and the pleasant company of our WOW membership. No one could help but notice the two huge Christmas trees and decorations. The holiday time is one of giving and we collected donations dedicated to the Hospice here in Georgetown. What a way to wrap up 2010!

**A NOTE FROM THE EDITOR:** Members the time was short this month and the format will improve. I will be sending these through email to those of you who have shared your email address. A number of our members have had a change in email address because of a local Internet provider. Please check with your friends and ask them if they have received the newsletter. If I missed anyone it wasn't intentional. Please give me a call.
